EDUCATION

- | | |
|--|------------------|
| Vellore Institute of Technology, Bhopal University - Bhopal, Madhya Pradesh
Bachelor of Technology in Computer Science and Engineering with specialization in Cybersecurity and Digital Forensics)
Cumulative GPA: 8.77/10 | 2022-2026 |
| Sharjah Indian School, Sharjah-United Arab Emirates
12th Standard CBSE Percentage:94%
10th Standard CBSE Percentage:95.4% | 2020-2022 |

SKILLS & INTEREST

- Programming Languages: Python, Java, HTML, CSS, JavaScript
- Tools & Platforms: Canva, Figma, MATLAB Simulink
- Cloud Fundamentals: AWS
- Databases: SQL, MongoDB
- Additional Skills: Web Development, Data Structures & Algorithms (DSA)

PROJECTS AND EXPERIENCE

Emergency Response App (Cypics):

- Developed an Android app for citizens to report cybercrimes and emergencies with live location tracking and direct communication with emergency responders.
- Implemented anonymous reporting, complaint tracking, emergency contact access, and a chatbot that provides guidance on cyber laws and user rights.
- Used Firebase and SQLite for real-time and offline data handling and integrated two-factor authentication (2FA) for enhanced login security.

Encrypting Information using Image Steganography:

- Designed and implemented a secure question paper encryption system using image steganography and RSA cryptography, ensuring data confidentiality without altering image quality.
- Built a full pipeline in Python using OpenCV, sqlite3, and custom modules for RSA-based encryption, image embedding/extraction, and PSNR-based quality evaluation.
- Focused on grayscale image embedding to preserve fidelity and reduce detection, with potential for future expansion to full colour steganographic systems.

EXTRACURRICULAR ACHIEVEMENTS

- Organized cultural events under the Malayalam Club and participated in inter-club competitions, including treasure hunts, puzzle-solving, and team-based activities.
- Actively participated in multiple hackathons, where I showcased skills in problem-solving, collaboration, and rapid prototyping.
- Hobbies: Exploring different cuisines, solving logic puzzles, fitness training and adventure

LANGUAGES

English, Malayalam, Tamil, Hindi
